# So... What's the Problem?

- Grant value unchanged for 15 years
- True Value eroded by inflation
- Grants ineffective as 'seed' funding
- Donation \$ < Grant \$
- < 15% of CAS members donate
- Discourages young academic Anesthesiologists
- Specialty losing relevance in Canadian Academic Medicine

■ Total CARF Donations Received  
■ CARF Grants Distributed

# What's the Potential?

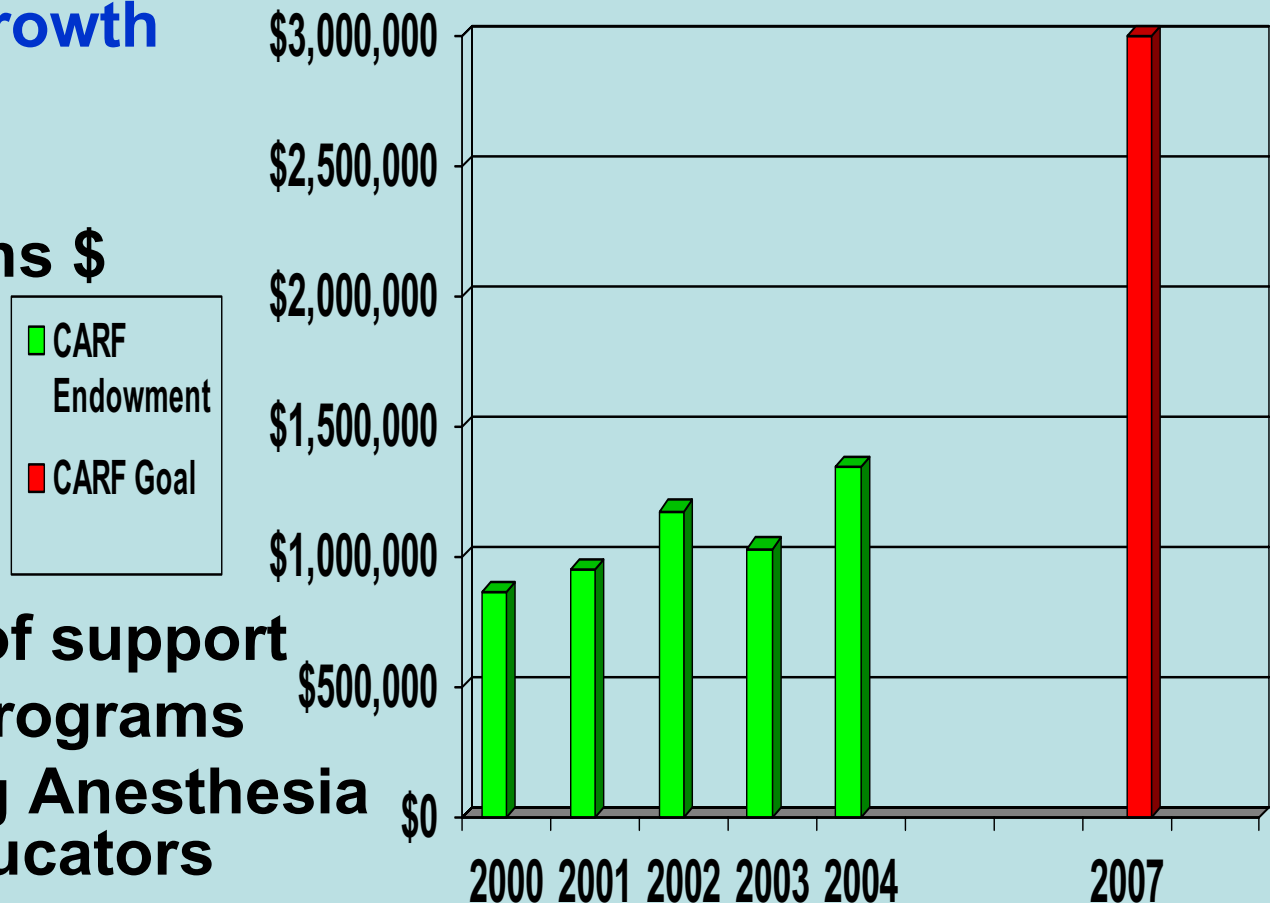

- **New Innovations in Anesthesia Care**
- **Prevent Peri-operative Patient Injury**
- **Improve Patient Safety**
- **Development of New Improved Drugs**
- **Recruit Top Students into Anesthesia**
- **Support Growth of new ideas**
- **Train Academic Leaders for Future**
